OVERSTOCK AND SURPLUS INVENTORY

When Remodelers Outlet opened more than 20 years ago as 'Bargains - Closeouts', almost all of the merchandise sold was considered surplus. This included factory buyouts, overstock supplies, canceled orders, discontinued stock, "scratch 'n dent" items, and other surplus inventory.

Over the years, our store evolved to carry mostly first quality merchandise, but we kept a small section of the store reserved for surplus items. From doors to windows, stair parts, mouldings and hardware, items here are priced to move. Check it out often as new products arrive by the week!

AN EXAMPLE OF WHAT YOU MAY FIND IN THE BARGAIN CORNER!

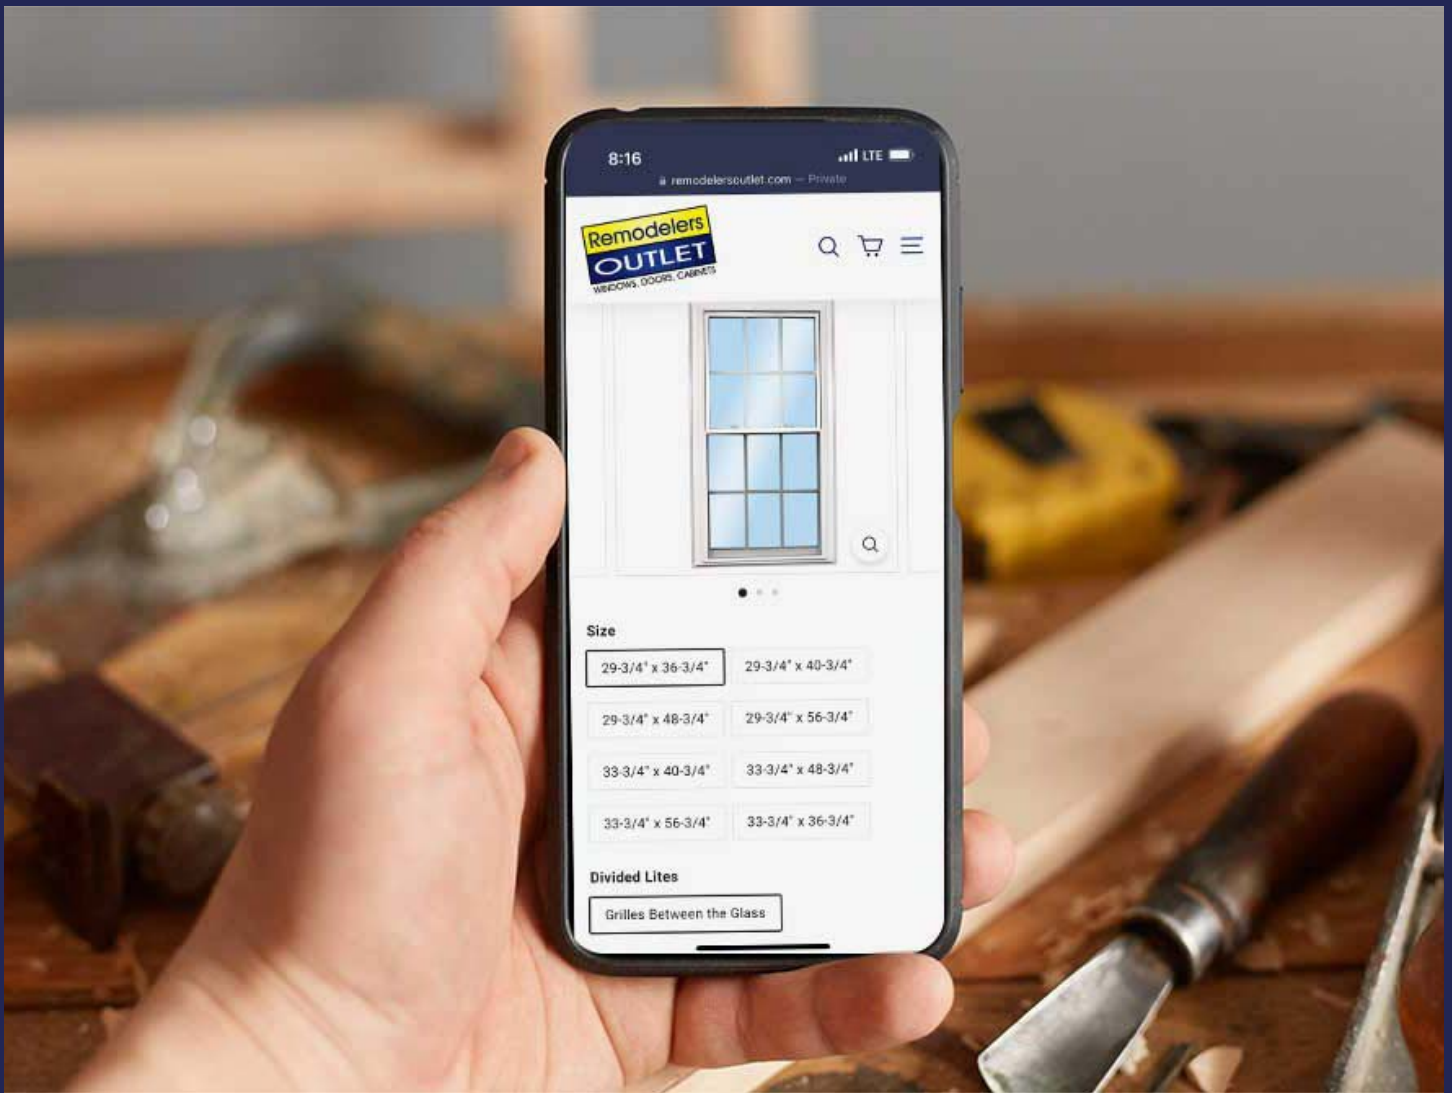

Products arrive weekly and are PRICED TO MOVE!

Special buyouts, returns, 'scratch n dent', and discontinued products.

Doors, windows, stairparts, and more - you never know what you'll find!

All surplus items are sold as is, no returns, while supplies last.
